

TYPE OF WARRANTY: FULL PARTS AND LABOR

TERM OF WARRANTY: BEGINNING ON INTERLIFT'S INVOICE DATE

PALFINGER INTERLIFT, LLC. (INTERLIFT) warrants its products to be free from defects in material and workmanship, when used in normal commercial service and when properly maintained during the coverage schedule.

INTERLIFT will repair or replace any part to be defective, the replacement part does not extend the warranty coverage period of the related liftgate. Such replacement will be furnished without cost to the owners and the installation will be covered per a flat rate through an authorized INTERLIFT repair facility. **Please contact INTERLIFT. for authorization before returning any product.**

The warranty does not apply to any product that has been altered from its original design.

This warranty does not cover normal wear, maintenance or adjustment, damage or malfunction caused by improper handling, installation, abuse, misuse, negligence, or carelessness of operation.

There are not warranties which extend beyond the description on the face hereof, and INTERLIFT neither assumes nor authorizes any other person to assume for it any additional liability in connection with the sale of its products.

EXCLUSIONS:

INTERLIFT'S warranty does not include the reimbursement for shop supplies, hazardous waste disposal fees, mileage, EPA compliance fees, Tax, travel time, towing, vehicle rental, service calls, batteries, fabricated parts, loss of income due to downtime, damaged due to misuse or abuse, negligence, accidents, alterations, overtime expenses, routine maintenance or normal wear. Rust and corrosion are not covered under warranty. Any parts that are found to be missing after the initial in- service date are not covered under warranty. Weak or dead batteries are not covered under warranty. Any worn pins are considered a usual wear issue therefore not warrantable as a manufacturing issue.

Hydraulic lines and hoses kink, bent or damaged from rubbing on truck body or liftgate is not covered. The tightening of loose fittings, electrical connections and fasteners are to be considered a maintenance issue, therefore not covered under warranty. Water damage, corrosion, low or contaminated fluids, due to other than visible leaks are not covered under warranty.

No other warranty, express or implied (including, but not limited to warranties of merchantability or fitness for a particular purpose) has been made or exists. Without limiting, the foregoing, **except as otherwise provided herein, the company: (1) Undertakes no responsibility for the quality or performance of the goods (2) Assumes no responsibility that the goods will be fit for any particular application.**
